Unitised Cover

This means you pay a set price for each unit of cover you hold. The benefit value of each unit decreases as your age increases, and the number of units you hold may change, however the amount you pay per each unit remains the same.

Please note that in the event of a death or TPD claim the amount of insurance cover outlined above is added to your account balance and may differ from the account balance quoted on 30 June 2019. In the event of a TPD or death benefit claim, your benefit payable will be based on the level of cover you held at the time of the event (this may be higher or lower than the benefit amount shown above) and may be paid in addition to your account balance to either you, your dependents and/or your legal representative. Your entitlement to the above-mentioned insurance cover is subject to you meeting eligibility criteria and the terms of the insurance policy. Further information is provided on our website.
